## ANNUAL REPORT, 1927.

---

THE record of the patients admitted and treated during the year is given in the Reports of the Honorary Medical Officers, and the Honorary Radiologist, which follow this, and show the continued demand for Hospital service.

The total number of patients admitted and treated in the Hospital since its establishment now exceeds 10,000, and constitutes a splendid record alike of the generosity of those who have contributed to the maintenance of the Hospital, and of the Surgeons and Doctors who have given their service wholeheartedly, and gratuitously, to the needs and welfare of their patients.

It is a source of gratification to the Committee to be able to report the completion of the greatly needed improvement in the Office and X-ray accommodation.

As regards the latter, the equipment has, too, been brought up to date, and Miss Pearl—a fully-qualified Masseuse—who has been appointed upon the Staff of the Hospital, is in daily attendance, and, under the direction of Dr. Holdsworth, is acting also as Radiographer.

The Committee desires very gratefully to acknowledge its deep obligation to the Honorary Consulting Surgeon, Mr. Gillespie; his services are continually in demand, and are as readily available for any emergency as upon his usual visiting days.

It is desired also to express the thanks of the Committee to the Honorary Consulting Physician, Dr. Herbert French, the Honorary Radiologist, Dr. E. E. Holdsworth, and to the Honorary Dentist, Mr. Niel Edgar.

To the Honorary House Medical Officers and the Medical Manager, Dr. Moore, the Committee is indebted for daily attendance upon the patients, and for Rota Duty for casualty and emergency cases, and it is desired to express grateful appreciation of their good offices so willingly rendered.

In reporting the resignation of Dr. Howard Distin, the Committee wishes to place upon record their regret that his help will no longer be available, and their appreciation of the valuable and continued service he has rendered.

He was associated with the work of the Hospital for over thirty years, and for five years under the new scheme of administration his duties included those of Medical Manager in addition to those of House Medical Officer.

It is desired to assure him that he carries with him in his retirement the sincere wishes of all those with whom he has been so happily associated in the management and administration of the Hospital.

The Committee gladly takes this opportunity of expressing appreciation of the services of the Matron and Assistant Matron in the administrative work of

the Hospital, and both the Matron and Assistant Matron desire to be fully associated with this acknowledgment of the care and attention paid by the Nursing Staff to the needs, comfort and welfare of the patients, and in the expression of thanks to Miss Sapsworth for her voluntary weekly attendance and help in the preparation of surgical dressings for use in the Theatre.

The Committee is happy to be able to report the striking success of the Box Collection Scheme, inaugurated by Alderman A. Bath, and that the total contributions received during last year amounted to £982 5s. 4d. As will be seen by the list shown at the end of this Report the total number of Boxholders is 1,522. To all these contributors, to the Stewards for collecting, and to the Chief Stewards, the Committee is greatly indebted for the splendid help rendered in carrying on the work of the Hospital. The Box Scheme has entailed a considerable amount of clerical work, and the Committee desires to express appreciation and thanks to Mrs. R. G. Porter for her help in this connection, and is pleased to report that Mr. H. J. Jeaffreson has very kindly undertaken to act as the Box Scheme Secretary. To our friends of the Bush Hill Park Carnival Association an expression of gratitude is specially due alike for their own enterprise, and for their co-operation in the Box Collection Scheme. It will be seen that their combined efforts have resulted in the contribution of the sum of £328 9s. 7d. to the funds of the Hospital.

The Committee has to report with deep regret the death during the year of Mr. W. E. Williams, a member of the Managing and Executive Committees. It is desired to add an expression of grateful appreciation of Mr. Williams' service to the Hospital. The Children's Ward will remain a lasting tribute to his memory.

During the year—owing to his failing health—it was necessary for A. Ward to relinquish the duties of Hospital Porter, a position he has held for some years.

Grateful acknowledgment and thanks are due for the valuable service so frequently and efficiently rendered by the No. 78 (Enfield Division) of St. John's Ambulance Brigade; to the Rev. W. F. Elmes (Divisional Superintendent), and to Mr. J. R. Wright, in the conveyance of patients to and from the Hospital. The grateful thanks of the Committee are tendered also to the Driver of the Council Ambulance and his Assistant for their response whenever it has been necessary to ask their help.

The Committee is indebted to Mrs. R. G. Porter for again organising the Pound Day. Gifts in kind totalled 2,080 lbs., and £14 10s. 3d. in cash. The Committee gladly avail themselves of the opportunity of thanking the teachers at the Schools, the pupils, and all those who contributed goods, money or time in making the effort an unqualified success. The Committee desires also to express sincere thanks to the Ladies' Committee for the valuable service rendered as regards the maintenance, renewal and repair of the Hospital equipment by a Rota of weekly attendance at the Hospital, and, in addition, for arranging a rota of weekly visitors to the patients in the Wards.

It is desired to point out that the exceptional expenditure under the heading "Renewals and Repairs" (Income and Expenditure Account) is due to the painting of the whole of the outside of the Hospital, and inside repairs and decorations

Grateful acknowledgments are accorded to:—

The Clergy and Ministers for conducting the weekly services in the Wards, and to the ladies who have assisted at the piano.

The many kind friends who have sent books, magazines, toys, fruit and flowers for the patients, and to all who have generously contributed the means necessary for the suitable celebration of Christmas at the Hospital. (A list of these gifts will be found at the end of the Report.)

The best thanks of the Committee are tendered to the Honorary Secretary, Mr. F. Haycraft, and to the Secretary, Mrs. M. E. Searle. The clerical work in the office grows with the increasing work done by the Hospital, and the Committee would like to express their appreciation of the effective manner in which the office staff have carried out their duties.

To the Honorary Treasurers, Major P. W. Leggatt and Mr. R. G. Porter, and to the Honorary Solicitor, Mr. T. N. Beavan.

To the Honorary Architect, Mr. C. W. Reeves, to whom the Committee are particularly grateful for his valuable service in connection with the building of the new X-ray Room and Offices.

The Honorary Auditor, Mr. R. Kettle.

The Honorary Surveyor, Mr. H. R. Crabb.

In this general survey special mention must necessarily be restricted, but the Committee wish particularly to thank:—

The Council of the Hospital Sunday Fund for a grant of £130.

Mr. E. M. Eagles, Headmaster of the Grammar School, for term collections among the masters and boys, amounting to £64 0s. 10d.

The Urban District Council for the donation of £100, and for undertaking, without cost, the periodical cleansing of the drains.

Miss Frances A. Pike for successfully collecting a sufficient sum to provide a Piano for the Men's Ward.

In conclusion, the Committee desire to express their acknowledgment and appreciation of the practical help so generously afforded by all classes of the community throughout the whole of the parish in carrying on and maintaining the work of the Hospital.

## REPORT

### of the Hon. Medical Committee for 1927.

---

Every recent year the record of work done at the Hospital has shown a steady increase. During 1927 the admissions to the Wards numbered 737, as against 643 in 1926. In the Men's Ward there were admitted 43 Medical and 138 Surgical cases; in the Women's Ward 76 Medical and 172 Surgical, and in the Children's Ward 93 Medical and 215 Surgical cases. 228 major and 47 minor operations were performed in the Hospital Theatre, and 585 minor operations in the Annexe.

The total number of cases receiving treatment during the year was 1,344, as against 1,072 in 1926, 943 in 1925, and 870 in 1924. This rate of increase can hardly be maintained in the future because the capacity of the Hospital was during 1927 taxed almost to the limit.

Our Honorary Consulting Physician, Dr. Herbert French, whose valuable services for many years have been greatly appreciated, now finds it increasingly difficult to respond to our calls on his time, and asks to be relieved to some extent. Dr. J. J. Conybeare, Assistant Physician to Guy's Hospital, has been nominated by the Honorary Medical Staff, and having expressed his willingness to accept the position, his name will come before the Management Committee for appointment as additional Honorary Consulting Physician.

On the surgical side, Mr. E. Gillespie has once again given us a very generous measure of service. It is almost entirely due to his brilliant work that the standard of surgery at the Hospital remains so high.

Mr. D. D. Pinnock very kindly acted as Mr. Gillespie's deputy for a short time, and his efficient work was highly esteemed.

Our thanks are also due to Mr. Niel Edgar, the Honorary Dental Surgeon.

Dr. Eric Holdsworth, Honorary Radiologist to the Hospital, has again given most valuable assistance, and the work done in his department has fully justified the expenditure upon the new rooms.

To the Matron and her efficient staff our thanks are due for the highly satisfactory nursing service during the year.

The work of Miss Marjorie Pearl—Assistant in the X-Ray Department, and Masseuse to the Hospital—has been greatly appreciated.

The ambulance work has been done by the Enfield St. John's Ambulance under the Rev. W. F. Elmes and Mr. J. R. Wright, and by the Staff of the District Council Ambulance, and once again we must express our grateful thanks for the self-sacrificing work which has been done in so skilful a manner.

# REPORT

## on the Work of the X-Ray Department during 1927.

---

The cases dealt with numbered 500, and were as follow:—

Injuries and disease of Bones and Joints	...	...	...	347
Examinations of Intestinal Tracts	...	..	...	75
Examinations of Urinary Tracts	...	...	...	20
Examinations of Chest	...	...	...	17
Treatment by X-Ray	...	...	...	30
Others	...	...	...	11

During the year the apparatus was moved into the new room, and some of the apparatus was renewed. This arrangement made working more convenient and satisfactory.

Towards the end of the year Miss Pearl started dealing with the more urgent cases, such as fractures, each week-day. This is a notable advance, as previously only two periods a week were definitely worked.

I wish to thank the Hospital Staff for their generous help.

E. E. HOLDSWORTH, Hon. Radiologist.

I have examined the above Balance Sheet of the Enfield War Memorial Hospital with the Books and Vouchers of the Hospital, and have obtained all the information and explanations I have required. In my opinion such Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the affairs of the Hospital according to the best of my information and the explanations given to me and as shown by the Books of the Hospital. To the best of my knowledge and belief the accounting regulations contained in the Revised Uniform System of Hospital Accounts issued in January, 1926, by the King Edward's Hospital Fund for London, the Metropolitan Hospital Sunday Fund, and the Hospital Saturday Fund, have been followed by the Hospital.
